Regarding WMJD, LLC dba Single Barrel
Outside Parking Area now to be changed to "sidewalk café" seating.**

We have in the past applied for an SDL every time we wanted to use our outside covered parking area for football games. We are no longer going to be using this area for parking and would like to use it for an indoor/outdoor sidewalk café type setting. We would fence it in like our current beer garden and open up the garage doors on nice days. On bad weather days these doors would stay closed. So not really sure what category it would fall under but I would guess Sidewalk Café. Please feel free to call with any questions. Thank you for your time.
